CME Quick Guide

Submitting AAPA CME Credits to NCCPA via AAPA's PA Portfolio

Log in to paportfolio.aapa.org using your AAPA credentials. Select the CME tab from the top navigation menu. Locate 2023 Musculoskeletal Galaxy or 2023 Musculoskeletal Galaxy Pre-Course (i.e., 2023 Musculoskeletal Galaxy Pre-Course: Acute Care Splinting and Casting Workshop), click the + sign to expand the list of completed sessions. Select the credits that you would like to submit to NCCPA. Click the Send Credits button at the bottom of your transcript. First-time users of the NCCPA credit transfer feature will need to link your PA Portfolio account to your NCCPA account by clicking the refresh button and entering your NCCPA log in information when prompted. The page will refresh and indicate the credits available within your earning window to send to NCCPA. In your NCCPA account select the CME tab, select Confirm CME, verify information is correct, select credit(s), and confirm selection. The process is complete only if you log in to your NCCPA account and CONFIRM.

The screenshot displays two overlapping web interfaces. The background interface is the PA Portfolio, showing a user profile for Rudolph Raindeer and a list of AAPA CME transcripts. The foreground interface is the NCCPA CME portal, showing a 'Confirm Activity' screen with a table of activities to be submitted.
