Frequently Asked CME Questions

Where can I find the 2023 Adult Hospital Medicine Boot Camp in AAPA's Learning Central?

You can find the 2023 Adult Hospital Medicine Boot Camp on your Dashboard in Learning Central.

How do I get my CME credit for the 2023 Adult Hospital Medicine Boot Camp?

Log in to Learning Central, complete the session evaluations, complete the overall conference evaluation (opens Sunday, September 24 at 12:30 p.m. Mountain Time) and your CME certificate is generated. You must complete all evaluations by March 31, 2024. **Note:** If you attend a live session and want that date to appear on your certificate, you must complete the evaluation on the day of the live session.

Why don't I have access to the session evaluation?

Session evaluations will be available at the scheduled end time of the session.

Do I have to complete the evaluation for the session as soon as the session ends?

No. You do not have to complete the evaluation as soon as the session ends, but we recommend that you complete the evaluation shortly after or the same day to ensure that feedback is fresh in your mind. You will have until March 31, 2024, to complete all evaluations and generate your CME certificate. Virtual participants attending a live session and wanting that date to appear on their certificate must complete the evaluation on the day of the live session.

Where can I find my CME certificate for the 2023 Adult Hospital Medicine Boot Camp?

In Learning Central, locate the **2023 Adult Hospital Medicine Boot Camp** and from the top navigation menu, select CME Certificate. You can also access your CME certificate from the Transcript. Follow the same process for the pre-course(s) you are enrolled in.

Will I receive a separate certificate for each 2023 Adult Hospital Medicine Boot Camp session/course I attend?

No. You will receive one cumulative certificate displaying all awarded CME credits for the general course.

Where is the handout for the session?

If the session has a handout, you can access it from the Session Materials section on the session page.

Will I have access to the recording if a session is recorded?

Yes, if a session is recorded it will be available after the session ends. Please note the deadline for access on the session page.

Frequently Asked CME Questions

Can I submit my CME credits electronically to NCCPA?

Yes. Any Category 1 CME you complete in Learning Central is automatically transmitted to AAPA's PA Portfolio. From PA Portfolio you can transfer AAPA-earned Category 1 CME credits to NCCPA. In the CME section, simply select the CME credits you wish to send to NCCPA and click Send Credits.

Why do I only see the Send button for certain activities and not for others in PA Portfolio?

Only CME activities that meet the following criteria are eligible for sending to NCCPA:
1. The CME was completed within your current earning window, which is displayed at the top of the page.
2. Credit Type is AAPA Category 1 CME Credit or AAPA Category 1 Self-Assessment CME Credit.

In which earning window will my credits be logged?

CME credits will be logged to the earning window displayed in your PA Portfolio CME tab. If allowed, you may recharacterize the credits to another earning window in your NCCPA record.

I have entered a CME activity in NCCPA's PA Portal. Why is that activity still showing in PA Portfolio with the Send button enabled?

PA Portfolio only knows what you have done within PA Portfolio itself. If you enter or update a CME activity directly on NCCPA's PA Portal, it will not be reflected in PA Portfolio.

Is there a cost to submit my CME credits to NCCPA?

There is no cost to submit AAPA CME to NCCPA, however, members (and nonmember subscribers to PA Portfolio) may more easily transfer CME credits to NCCPA via PA Portfolio.

When and where is the 2024 Adult Hospital Medicine Boot Camp?

See you September 18-22, 2024, in Phoenix, Arizona.
