Keep the Conversation Going

Don't Forget – ASAP/This Week:

- Send a thank you email

After the Shutdown

- Provide any requested follow-up, restate “ask”
- Offer to be a resource in the district

Going forward:

- Keep communication lines open
- Find opportunities to engage legislator
- Attend district events
- Remember to look for commonalities

Stay in Touch with Staff

“It’s really hard to build relationships if we only hear from or see you once a year! Send an email to check in on where things stand on your ask, come see us in the district and remind us of your DC visit, and – importantly – update us on how we can be helpful.” - House Legislative Assistant
