Frequently Asked CME Questions

Can I submit my CME credits electronically to NCCPA?

Yes. Any Category 1 CME you complete in [Learning Central](#) is automatically transmitted to AAPA's [PA Portfolio](#). From PA Portfolio you can transfer AAPA-earned Category 1 CME credits to [NCCPA](#). In the CME section, simply select the CME credits you wish to send to NCCPA and click Send Credits.

Why does PA Portfolio allow me to select certain activities for submission to NCCPA but not others?

Only CME activities that meet the following criteria are eligible for sending to [NCCPA](#):

1. The CME was completed within your current earning window, which is displayed at the top of the page.
2. Credit Type is AAPA Category 1 CME Credit or AAPA Category 1 Self-Assessment CME credit.

In which earning window will my credits be logged?

CME credits will be logged to the earning window displayed in your [PA Portfolio](#) CME tab. If allowed, you may recharacterize the credits to another earning window in your [NCCPA](#) record.

I have entered a CME activity in NCCPA's PA Portal. Why is that activity still showing in PA Portfolio with the Send button enabled?

[PA Portfolio](#) only knows what you have done within PA Portfolio itself. If you enter or update a CME activity directly on NCCPA's PA Portal, it will not be reflected in PA Portfolio.

Is there a cost to submit my CME credits to NCCPA?

There is no cost to submit AAPA CME to [NCCPA](#), however members (and nonmember subscribers to PA Portfolio) may more easily transfer CME credits to NCCPA via [PA Portfolio](#).
