Clinical/Work/ Professional Experience

- 10/2016 – Present **University of Iowa Emergency Room**
Evaluate and treat patients in the Emergency Room. Perform wound care, suturing, Incision and drainage. Splinting/casting, reduction of orthopedic injuries. Epistaxis management, trauma and critical care. Intubation, central line placement, chest tube placement. Evaluate radiologic testing and perform bedside ultrasound. Remove foreign bodies. Many other procedures and modalities of care as credentialed to perform. This is a 50% position.
- 01/2010–Present **East Central Iowa Acute Care**
Evaluate and treat patients in the Emergency departments at urban and critical access hospitals. Perform wound care, suturing, Incision and drainage. Splinting/casting, reduction of orthopedic injuries. Epistaxis management, trauma and critical care. Intubation, central line placement, chest tube placement. Evaluate radiologic testing and perform bedside ultrasound. Remove foreign bodies. Many other procedures and modalities of care as credentialed to perform. I am often the sole provider at the Critical access Hospital.
- 07/2009-2016 **University of Iowa Community Medical Services – QuickCare**
Lead Advanced Practice Provider (8/2011-6/2016)
Iowa City/Coralville/North Liberty/Muscatine, IA
Oversee orientation and training of new Physician Assistants and Nurse Practitioners. Carry out administrative tasks as requested by Medical Director, CEO, CFO, and Clinic Supervisor.
Organize and update protocols and processes to improve clinic flow/efficiency/safety.
Evaluate patients in six walk-in locations. Basic History and Physical assessments to diagnose and treat acute health concerns. Perform minor sutures, incision and drainage, and necessary injections. I resigned to move into the UIHC Emergency Department.
- 2015-Jan 2016 **Self Employed/PA Services**
Contracted PA services, such as DOT physicals.
CJ Cooper Inc., performing DOT physicals 5-15 hours/month.
